Deluxe Double Barrel Flintlock Pistols
Double Barrel Flintlock Pistol

Originally this flintlock was manufactured in Saint Etienne by Gribbeauval, circa 1806. The original pistols was in Napoleon's private collection.

It has a double barrel, two triggers for two shots. This gorgeous pistol's overall length is 14 inches, weighs 2.5 pounds. It is made out of real wood and is totally solid. This pistol retails for \$67.00!

Our collector replicas are of the highest quality. Each piece is carefully weighed and measured to the exact specifications of the original. All of our replicas are hand-crafted in Denix, Spain. This pistol will last a lifetime.

These are not a firing guns. They are decorator models which cannot be made to fire real ammunition.

You must 18 years of age or older to purchase this pistol.
